MEMO FOR: Michael Drillings  
FROM:   
Office of Research and Development  
SUBJECT: Draft Task Statement for NRC in Anticipation of  
Request for Military Liaison Support

Dear Michael:

Enclosed is a draft task statement for NRC on this Congressionally directed study which we discussed last week on the phone. I don't know how realistic it is to expect all this in three months and I will do everything I can to get the program transfer deadline of 1 July extended. I realize this could impact both you and the NRC and will do everything I can to mitigate that impact. In the mean time, tell me what you think. Since you've been down this road before, I am eager to hear your advice. I also will be very dependent on your cooperation. Give me a call when you've had a chance to review the draft.

Thanks
